## **2019-20 Central Elementary Annual Education Report (AER) Cover Letter**

December 11, 2020

Dear Central Elementary Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for the Central Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Cherie Horner at 616-453-6351 for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/py4WwR>, [AER Combined Report for Central Elementary](#), or you may review a copy in the main office at your child's school.

For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as "HAS NOT BEEN GIVEN ONE OF THESE LABELS;" however, we were named as one of Michigan's Reward Schools. We are VERY proud of this label.

Although each year all our students continue to show much growth, various subgroups of students struggle to meet state expectations. Those subgroups include students who qualify as economically disadvantaged, limited English proficient (LEP) or students with disabilities. Our staff values continuous improvement and is committed to utilizing best practices and personalizing learning to meet the needs of individual students. Ensuring that our students have a guaranteed and viable curriculum, effective instructional framework and a multi-tiered system of support are key strategies that will lead to higher levels of student performance. In addition, maintaining a safe and orderly environment and working closely with our parents and community is essential to reaching our goals. We appreciate the continued support of parents, staff and our community in our improvement efforts. By working as an educational team, we are confident that our school can become a leader in education in the state.

State law requires that we also report additional information. State law requires that we also report additional information. Please see below.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL – Central Elementary assigns students to its school based on district geographic boundaries. The school also participates in the Kent Intermediate School District schools of choice program, the State of Michigan Section 105c schools of choice program, and Section 6 student transfer process.
2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN – Central Elementary participates in the Michigan Department of Education’s continuous improvement process. The building has a representative stakeholder group responsible for various school improvement tasks throughout the school year. The status of Central’s 3-5 year school improvement plan can be found at:  
<http://www.khps.org/academics/curriculum-department/school-improvement-plan/>.
3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL – There are no specialized schools within Central Elementary. However, the building offers a variety of supplemental services through Title Ia, 31a, Title III, and Title Ic grant funds.
4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL – Central Elementary has transitioned to the Common Core State Standards (CCSS). Learning targets are aligned to these standards at each grade level. The CCSS are a set of national standards that aim to allow for more in-depth learning and a focus on skills and competencies demanded in the 21<sup>st</sup> Century. Copies of grade level’s or department’s curriculum are available on our [district website](#) or in the building’s main office upon request.
5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS – A comprehensive overview of Central’s student achievement data can be found at <https://www.khps.org/district-reports>. This link includes the past two years’ School Data Profile Analysis which addresses local, state and nationally normed achievement data.
6. NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES – Central Elementary parent-teacher conferences have been well attended-even though we were holding them virtually. Please see below.
  - Fall 2020: 460 students represented by a parent/guardian (94% virtual conferences)

We are very proud of the efforts being made to improve the learning for each and every student at Central Elementary. Our community continues to play a vital role in the success of our school. We look forward to building upon the success we have had to impact student learning for all.

Your partner in education,  
Cherie Horner, Principal
